MDF, white

Top piece

2 pc./package

EAN 6418172028526

**APPLICATION**

For door or window corner decoration. Joints of cover strip side and top elements.

**INSTALLATION**

Bottom piece: Adhesive paste or hidden nailing is used for installation. The longer side (125 mm) of the bottom piece is trimmed to meet the strip height. For example, in case of 70 mm high skirting board, the bottom corner piece should be cut to the height of 75 mm.

Top piece: Adhesive paste or hidden nailing is used for installation. To be installed to door frame upper corners, at the cover strip cutting location. The strips are installed with butt joint against the two corner piece sides.

Use top and bottom pieces of the same size on the same door!
