

CORNER PIECE**856-00**

62x62x19

MDF, white

Top piece

4 pc./package

EAN 6418172028564

**APPLICATION**

For door cover strip and skirting board corners. Can be trimmed from the bottom edge to match the skirting board height.

INSTALLATION

Bottom piece: Adhesive paste or hidden nailing is used for installation. The longer side (125 mm) of the bottom piece is trimmed to meet the strip height. For example, in case of 70 mm high skirting board, the bottom corner piece should be cut to the height of 75 mm.

Top piece: Adhesive paste or hidden nailing is used for installation. To be installed to door frame upper corners, at the cover strip cutting location. The strips are installed with butt joint against the two corner piece sides.

Use top and bottom pieces of the same size on the same door!
