

**HIDDEN FASTENER****855-00**

Hidden fastener for skirting board

30 pc./package

EAN 6418172028557

**APPLICATION**

For skirting board fastening.

**INSTALLATION**

Measure the correct installation height from the floor for the fastener using an approx. 2 cm skirting board piece (Fig. 1). The fastener must fit in the groove behind the board. Install the fastener by screw or nail, depending on the substrate (Fig. 2). Installation interval: approx. 2 pc./metre. The same fastener is also usable at corners, by bending it at a 90° angle at the centre (Fig. 3). Always install a fastener to skirting board joints.
